Dear Mr. Turner,

I am in receipt of your letter dated September 27, 2005 concerning the RRG Clayton Chemical Site. I believe that there has been a mistake in identifying Cormark Inc. as a potentially responsible party in this matter.

Cormark Inc. was incorporated in 1995 and has had no business dealings with RRG Clayton Chemical, and in fact produces no chemical waste at all.

If you have any further questions, please feel free to contact me.

Regards,

Tom Conway
President
